

menred

MEIIE'PE-RT | Yellow Amber

Produced with
LUCENE™ SP980 LG PE-RT

2-layer with protection

2-layer co-extrude technology

2-Layer design

Imported material SP980 from LG company

No scaling
No bacteria germinated
No water quality contamination

Excellent hydrostatic performance and thermal stability

High softness at low temperature
Fast and convenient construction

More than 50 years design life (water temperature 60°C)

Selection table

Pipe dimension	Meters/roll	Package size(mm)
Ø16*2.0mm	400	800x800x270
Ø20*2.0mm	300	800x800x360
Ø20*2.3mm	300	800x800x360
Ø25*2.3mm	100	800x800x360
Ø25*2.8mm	100	800x800x270

Available color: natural, blue, purple
